

# Sign Up for Flu Shots at FallFest (October 14, 2017 from 2 - 4:30 pm)

**Note: Flu shots are available for those over the age of 12, but those under the 18 cannot get a flu shot unless accompanied by a parent/ guardian.**

Go to <https://sanofi-prod1.pegacloud.io/prweb/PRServletCustom> and login using your existing CVS account or create a new account. If you are creating an account, it must be as an employee, NOT an employer. (Yes, you are not Latin employees, but for this purpose that's how you must categorize yourself). Enter WashingtonLatinPublicCharterSchool as the employer code. Note that your password requires at least 8 alphanumeric characters and at least 1 capital letter.

Once you have created your account you will have to log out and log back in again using those credentials.

After logging in, click on Schedule an Appointment

Choose Saturday October 14 during Fall Fest (the other fields on that screen will populate once you select which day you want)

Once you choose your date, other fields will populate. Please double check that you've selected the right day

Click "Add Attendees" and fill in your name and e-mail (if it does not populate automatically), then click continue

Click on the plus sign to pull up the scheduler, then select your preferred appointment time and click Save, and Finish. You will get a confirmation and receive a reminder e-mail a few days before your appointment.

If you would like to register for both yourself and your child(ren) you can go back to schedule an appointment and repeat the process as many times as needed.

Please remember to print out and complete the Consent Form and bring it with you to your appointment.

Please also bring your insurance card and a copy of your insurance card to the appointment.
