Dear Friend of Washington Latin,

Washington Latin is celebrating a new decade with a party to celebrate! On Wednesday, May 10, I hope you will join us for the *Convivium de Civitate – A Celebration of Washington Latin* at 1776 on 13th Street NW. We will bring together our extended Latin community of supporters and friends of the school to celebrate our collective work and my first year as Head of School. We will be honoring several key members of our community for their important contributions to our school, city and nation. Please see the enclosed details on our special guests.

I invite you to sponsor our first annual celebration, helping Latin raise necessary funds for two mission-critical elements of our program: developing and retaining our our excellent teachers with the Latin Faculty Fund, and providing the support needed to ensure that every student enrolled at Washington Latin can be successful in our rigorous model, regardless of prior preparation. Complete sponsorship information is attached.

I hope you will join us on May 10 and help me raise funds crucial to keeping Latin strong and successful in the future. Please read the attached for more details on these funds and how your support will help us achieve our goals.

We hope you will be able to support this important cause.

Sincerely,

Peter

Support the Latin Faculty and Academic Support Funds

The most important goal for Washington Latin is to increase the academic achievement of all our students. We know that the most important element of Washington Latin's success is our excellent faculty and have established the **Faculty Fund** to support the recruitment, development, and retention of our dedicated and talented teachers so that Latin can continue to thrive and grow. We are also raising funds for **Academic Support** to close achievement gaps and help all our students – regardless of prior academic preparation – to succeed in our rigorous program.

Help us continue to make a difference in the lives of DC students by supporting the gala with your sponsorship! Contribution or pledge must be received by April 30, 2017 to include logo in materials.
