

WELCOME!

FROM THE

PARENT-FACULTY ASSOCIATION

GREETINGS LATIN FAMILIES,

Welcome to the 2018-2019 school year! It is exciting to think that we are so close to greeting everyone at the Welcome Back Get-together on August 19th in the Martha C. Cutts gymnasium. This will be a great opportunity to catch up after summer vacation, find out who your advisors are, and pick up lightly used uniform pieces.

The **Parent Faculty Association (PFA)** exists to connect with families, help create a positive school culture, and raise funds in support of school objectives. Every member of the school community is a member of the PFA and this year our goal is to engage as many families as possible. We are stronger because of our diversity and generosity.

We are privileged to support the school as the Executive Committee (EC) members and encourage you to share your thoughts and ideas with us to help shape future initiatives. During the summer, the EC partnered with school leadership to create co-sponsored events designed to educate and enrich families and offer forums that encourage smaller group interactions. Additionally, each grade representative (rep) will be taking the lead in providing an opportunity for volunteers to help honor teachers, spruce up the landscape, congratulate our scholars, or get to know each other better. Look for regular emails highlighting upcoming activities. There is something for everyone!

If you have any questions or want to volunteer, please reach out to your grade rep or send a message to volunteer@latinpcs.org. We are looking forward to an amazing year.
