

# WASHINGTON LATIN 2019-20 Cost Estimates

Field trip notifications will be emailed to parents by individual trips. We always appreciate additional donations to assist those families who may have difficulty covering the cost. Donations can be made to the [Equal Access Fund](#) on our website under Support/Equal Access or by adding to the check you send for your child.

*It is our policy at Latin that no student will be turned away from an opportunity for lack of financial means. Please let Ms. Fleming know if you are unable to pay the full cost of any fee.*
