

February 2020

Dear Friend of Washington Latin,

Washington Latin invites you to join our third annual *Convivium de Civitate – A Celebration of Washington Latin* at the Charles Sumner Museum on Thursday, April 30, 2020. We will bring together a community of friends, supporters, and those new to Washington Latin to hear about exciting plans for our future and to honor several people for their important contributions to our community with the *Washington Latin Civitas Award*.

I invite you to sponsor our fourth annual celebration, helping Latin raise necessary funds for a mission-critical element of our program: developing and retaining our excellent teachers with the Latin Faculty Fund. Complete sponsorship information is attached.

I hope you will join us on April 30 and help us raise funds crucial to keeping Latin strong and successful in the future. Please read the attached for more details on these funds and how your support will help us achieve our goals.

We hope you will be able to support this important cause.

Sincerely,

Peter

Support Washington Latin's expansion!

We are committed to opening a second campus by 2021 for two main reasons, equal parts pragmatic and visionary. First, there are too few quality public middle and high school options in DC, and thus many students and their families are underserved. Another Latin campus will add 700 quality seats to DC for middle and high school. Just as important, expansion will test our model and contribute to the ongoing dialogue about public education. As a public school that brings students of all backgrounds together to learn, debate, and develop an understanding of our shared humanity, Washington Latin represents what is possible in public education.

Your sponsorship will help support our growth by contributing to the most important element of our current school and future expansion: our faculty. We established the **Faculty Fund** to support the recruitment, development, and retention of our dedicated and talented teachers so that Latin can continue to thrive and grow. Help us continue to make a difference in the lives of DC students by supporting Convivium! *Contribution or pledge must be received by April 16, 2020 to include logo in materials.*
