

WASHINGTON LATIN

PUBLIC CHARTER SCHOOL

10/01/20 Parent Tutorial Chat

Helping your 5th grader stay organized in a virtual world

Weekly Report

Q: Did that Weekly Report go out this week? Or is that starting next week?

Q: Do students or parents receive the Weekly Report by email?

Q: I haven't seen the weekly report. is that supposed to come to our email?

Mr. Kelly - If you did not receive it this week, you should anticipate it via email next week.

Unified Classroom

Q: Where can we find access codes for our children's Unified Classroom?

Jimmy Kelly - Access codes were distributed by techsupport@latinpcs.org in August - if you do not see it in your email, you can email that address to get set up.

Q: Is Unified Classroom the same as Powerschool? thank you

Janelle Bradley - They are connected systems that speak to each other.

10/21 Field Day and HealthCheck App

Q: How do we obtain the health check app?

Kate Cromwell – We will share information about the app and other safety protocols next week.

Q: Are the kids going to need to be in uniform for the meeting on 10/21?

Diana Smith – No, because we want them to be comfortable for play outdoors. But there will be used uniforms for sale for those interested.

Geography-specific questions

Q: any more guidance on geography papers?

Q: Can Ms. Mujal share that information with parents? The packet is quite difficult to navigate.

Q: Via what mechanism is Ms Mujal giving advanced notice on materials? Is it written in an email?

Janelle Bradley - Yes, Ms. Mujal is giving weekly advanced notices on what is needed for Geography for students in Google Classroom and Unified Classroom. We will ask her to share with parents too.

Library Books

Q: Any chance students could come and check out books from library at any point?

Q: This is a great resource. How can we access it?

Janelle Bradley - Ms. Boone, yes the library is open to check out books!

Diana Smith - Yes, on Wednesdays the library is going to be open for individual sessions. If you are interested in coming in on Wednesday, please email Ms. Jennifer Abercrombie at jabercrombie@latinpcs.org.

Schedule question

Q: So is Wednesday the 14th an asynchronous day?

Janelle Bradley - Yes, it is.

Diana Smith - Yes, Wednesday and Friday are asynchronous days that week.

Assignment Feedback

Q: What's best way to see teacher feedback on assignments?

Mr. Bane - Great question. The best way to see feedback for most subjects will be in Google Classroom, where there is a feature that allows for feedback.

Clubs

Q: Speaking of clubs - my kid can't figure out when the clubs are meeting. How can we know to help the kid manage that logistical element also?

Janelle Bradley - Have them email Mr. Kelly or me. We can help!

James Kelly - We have a club directory. We will redistribute it in Quid Novi this week!

Q: My daughter is scared to join a club this late, but it is still ok right? (She had been hoping to start a carpentry club but didn't know how and then felt bad about joining others late)

James Kelly - Absolutely okay for them to join!

Mr. Bane - Clubs are still actively canvassing for members.

Q: Is there a list of clubs for which 5th graders are eligible?

Q: I know which clubs my kid is in, but not when they meet. Is that info in the club directory? Kid already missed a meeting of the club he was most interested in.

James Kelly - yes, we have a club directory and it indicates which clubs are open for 5th graders.

We'll redistribute it in Quid Novi this week. And [here](#) is the form for students to indicate interest.
