

Guide to (Re)Enrollment

Welcome to Latin's enrollment process!

Enrollment is an important process that is required for each DC public school student every year, whether new to the school or re-enrolling. This process reflects what is REQUIRED by DC authorities, as well as what our school needs for each student. This Guide gives information you can use in completing the steps, all of which begin with the Enrollment Form. **Enrollment is open now and due by May 28, 2021 for current students, May 3, 2021 for new Latin students!**

Please contact the Latin Enrollment Team with ANY questions or to request our help!

Complete the Latin enrollment form online

[Washington Latin Enrollment Form](#)

The first and most important part of the enrollment process is this form.

- This form is where you give us your contact information, address, and other essential information for updating PowerSchool.
- Families who have multiple children at Latin should complete a form for each.
- It can **only** be completed online.
- Once you start, you are not able to save your work and continue later. We suggest that you have all your information at-hand before you start, including:
 - Your child's contact information
 - Your information and that of a second parent/guardian, if applicable
 - Residency documentation, both the [DC Residency Verification form](#) and copies/photos of residency proof
 - Health documents may be uploaded here but are not due until classes begin. Note that this includes **summer school**, which is strongly encouraged for all new-to-Latin students, beginning on June
 - If your child is new to Latin, you submit additional forms ([Special Needs Questionnaire](#), [Home Language Survey](#), and [Records Request](#))
- We strongly encourage you to add required forms to this Enrollment Form, keeping your documents in one location and speeding the process for you.
- Please email enrollment@latinpcs.org if you are unable to complete an online form or have questions.

The Enrollment Form includes several sections, outlined below

1. Provide student and parent/guardian information.

This information will be uploaded into our student database, PowerSchool. Even if you are already a Latin parent, please complete ALL these fields so that we know we have the most current information! We replace all contact information each year, so you should complete this to continue receive information from Latin!

2. Provide permissions and emergency contact information.

This includes media permissions, field trip permissions (though you will be informed of any field trip details, this is to avoid you having to complete the same form each time).

3. Submit required health documents.

These are due before school begins (including summer school) and will require your child's doctor and dentist to complete some information.

- [DC Universal Health Certificate](#)
- [Oral Health Assessment](#)

Note that all students MUST have up-to-date immunizations (**not** the COVID vaccine, but other regular childhood immunizations against polio, diphtheria, etc.)

4. Provide evidence of your DC residency.

Parents/guardians must provide evidence of their DC residency each year to re-enroll their child(ren). This requires two things: a completed and signed form, and evidence of residency.

Choose your method of proving residency

The Residence Verification Form lists all options for providing evidence of your DC residency. Most families use **Method B – Provide documentation.**

***Helpful Hint:** have your documents ready when you start completing the enrollment form, so you can upload them into the form directly.

- Gather documentation proving residency (see list in Residency Form or below).
- Either a scan or a take a photo (phone photo is fine, as long as the document is legible) of each document you are submitting as proof of residency.
- Save it with a new name that includes your child's full name.
- Attach this new file to the Enrollment Form (**BEST OPTION!**)
- You may also email this new file later to enrollment@latinpcs.org.
- *Washington Latin may require a hard copy of those documents later, if necessary.*

IMPORTANT

Uploading your residency documents and the DC Residency Verification Form is just the first step and does not indicate final approval and thus student enrollment. The Enrollment Team must review each document to verify residency. If there are any problems or questions with your submissions, you will receive an email from enrollment@latinpcs.org.

The DC Enrollment Verification form includes the full detail on what is acceptable evidence of DC residency. Please see below.

Enrolling person, follow ONE of the methods (A-C) to verify your DC residency.

<p>A</p>	<p>Verify with a school official. If you are experiencing homelessness, a ward of the District, and/or a participant of a District public benefits program, such as Medicaid, Supplementation Nutrition Assistance Program, or Temporary Assistance for Needy Families – your school may already have your information. Check with your school official or the school’s homeless liaison.</p> <p>Verify through the Office of Tax and Revenue (OTR). Re-enrolling families/students are often able to verify residency using OTRresidency verification process. The enrolling person must have paid taxes in DC during the previous fiscal year and have the student’sSocial Security number. The student must be re-enrolling in the same local education agency and enrolling in grades K-12. Login to the system at ossedtax.com. If successful, your verification will then be available for your school to confirm.</p>
