How Drive-In Graduation Works

Who is there

- Each Senior may bring **one car of family** (usually – we can work with exceptions.)
- We will **livestream the event** for family and friends who cannot be there.

Tailgate Party

- Tailgate party until dark! **Bring a picnic or buy treats** at the Snack Bar.
- Car is “home base,” but families can **socialize at appropriate distance**.

Graduation Ceremony

- We will have **the usual line-up** (speakers, musical performance, photographs).
- **Students line up in small groups**, socially distanced, then receive diplomas.
- Families watch from their cars as **students process across the stage AND screen!**
