**A. Update on what is happening at the school right now**

- Working on end of year activities in accordance with current (shifting) DC Health protocols
- Faculty very glad to be back in person; have just been asked to write reflections on this past school year
- Anticipating a large turnout for summer school, which will offer a combination of virtual and hybrid classes; plan to use summer school to slowly evolve into "back to normal" protocols for fall
- Planning to take down outdoor classrooms after end of regular school year; no vandalism or theft so far but will not use tents for summer school

IV. Internal Controls

A. Sector issues/How we are managing internal controls

• Our protocols both internally and with EdOps carry several redundancies and checks to avoid mismanagement of funds; those procedures are reviewed regularly
• Audit and Finance Committees will be working with Yinnie on identifying an outside consultant to do a risk assessment for both internal controls and cyber-risks; plan to propose a multi-year plan when finished
• Several Board Members expressed support for this work

V. Finance

A. March financials

• Yinnie reviewed the monthly financial report in detail and we are comfortably compliant with all metrics
• Management would like to disburse some available funds as a bonus to all faculty and staff, and for summer PD grants (as has been done in the past); If approved, Board to announce at next Faculty meeting

B. Caldwell made a motion to Approve the Faculty Appreciation Bonus (FAB). C. Wilkinson seconded the motion. The board VOTED unanimously to approve the motion.

B. FY21-22 budget

• Yinnie presented the FY21-22 budget, making specific note of the DSCR (debt service coverage ratio) in the context of proposed expenses to start-up Latin B.
• Projections show us staying within the desired DSCR of 1.2, especially if we can slightly shift the timing of a few expenses across the year. Finance team will be monitoring this metric closely.
• Yinnie also provided comparisons with prior years and conservative estimates based on enrollment, local and federal funding, and anticipated Latin B hiring.

C. Wilkinson made a motion to Approve the Budget.
K. Merritt seconded the motion.
The board VOTED unanimously to approve the motion.
