A. School Update: Kate Cromwell

Changes to COVID guidelines will be coming out soon. Expect to hear something in the form or email the week of March 14, 2022. The email will detail steps as well as COVID testing after returning from spring break for all schools. Mask mandate will be dropped with an upcoming date TBD.

Bacchanalia Planning: There are families who have committed with dates set. Additional dates are still available. Different areas of town are encouraged. Hosts are needed. If interested, please reach out to Kate Cromwell.

Prom will be @ Latin this Year.

Graduation will be @ UDC.

Kate will also check on options for the 8th grade adventure as they have missed 2 major events @ Latin due to COVID.

B. Treasurer Report: John Tichy

Please see John's previously released report titled "Grants Funded".

Question was raised about possibly providing funds for mental health. This could prove difficult as they are under a different umbrella and may not be able to receive funds. A suggestion was mentioned to hold a fundraiser with proceeds going to benefit the mental health department.

C. Spring Events: Jennifer Thorpe-Lewis

Planning is taking place regarding spring events. A “Fun Run” is also being planned and will likely be a yearly event.

If anyone is in a wellness and/or fitness group, please let me (Tiffany Murrell) know. Information will be collected and disseminated.

Tickets are on sale for Pippin the Musical. Get your tickets now! Pippin is being directed by Mr. Baldwin.

D. Round Robin by Grade:

Laurel: There are concerns about the new mask announcement. These concerns are tangible and will be addressed in upcoming days. Laurel will be on an extended leave of absence beginning March 25th.
