SUMMER ORIENTATION - AUGUST 2 - 12, 2022

This summer, all Cooper students will join us for a two-week summer orientation. Our goals for this program include:

1. ***To build our culture and community.*** Teachers and students get to know one another and the local community. We want to help staff and students feel safe, seen, and valued as humans from the very beginning. This is the most important goal.
2. ***To establish expectations*** for shared spaces and for routines
3. ***To orient students*** to the bedrock principles of the school
4. ***To conduct diagnostic testing*** to establish benchmarks in core subjects
5. ***To begin intervention*** for those whose benchmark scores indicate this is necessary/most beneficial.

Below is a tentative schedule of our work during these two weeks:
