

WASHINGTON LATIN

UNIFORM POLICY & PURCHASING

School uniforms are an important part of the culture at Washington Latin. Uniforms serve many purposes; foundational among them is that they communicate the shared objective of learning and that the school is a place for serious academic pursuits. The school uniform can also help to alleviate anxiety about dress choices for school and reduce non-academic distractions in the school environment.

Washington Latin believes that appearance is important and requires students to meet the highest standards of dress and deportment. We see families as our partners in ensuring that students come to school each day as representatives of our school community.

We require all students to wear uniforms and adhere to the Uniform Policy at all times while in the school building and at school-sponsored functions. Students' personal presentation should reflect modesty, neatness, and cleanliness. Students are not to wear hats or other headwear except for medical reasons or as personal religious beliefs dictate.

All Washington Latin administration and faculty will strictly enforce the following Uniform Policy. Failure to adhere to the Uniform Policy will result in strategic intervention or disciplinary action; chronic non-adherence may lead to additional discipline action. Washington Latin also reserves the right to change this policy as needed.
