5. Schedule your conferences.

The screen will show all your child(ren)'s teachers and their available conference times. Each teacher is a column with a specific color, and the times are listed earliest at the top, latest at the bottom.

- To schedule a conference, click on a square to select that time.
- You will be taken to a confirmation screen. Select CREATE THIS
 APPOINTMENT and then you will return to the full schedule screen.
- You can make changes now or later through the system.

- Only one conference per teacher for each student. If you need separate parent conferences for the same child, please contact Kate Cromwell & Dena Kolb (communication@latinpcs.org).
- The system prevents you from scheduling 2 conferences at the same time, even for different students. If you are tag-teaming the conferences with your partner parent, you can establish two accounts and bypass this limitation.

6. Review, change your conference schedule.

- For a full list of conferences, click the **Your Schedule** button.
