

# Sports Program

## Athletic Offerings at Washington Latin

Washington Latin boasts a competitive athletic program. Our teams have won multiple championships across different local, state, and national divisions. Many of our student-athletes have continued their athletic career into college by becoming D1 Athletes. We participate in the DC Public Charter School Athletics League and in some cases also play DCPS or independent schools.

Our athletic program spans our two campuses. While the new Cooper Campus is in the temporary Edgewood location, our teams generally practice and compete at the 2nd Street Campus. Once we move into the permanent campus location (4301 Harewood Road), some teams will practice and compete at that location, while others will continue at 2nd Street. We offer free shuttle service from Cooper to 2nd Street for our student athletes.

Students in 5th and 6th grades take physical education. Starting in 6th grade, students may try out for competitive teams (below). We also offer non-competitive classes (yoga, fitness, etc.) for students to be healthy and complete their required athletic credits.

Sport	Season	Middle School (6-8)	High School (9-12)	Boys, Girls, Co-Ed	Junior Varsity	Varsity
Baseball	Spring	X	X	Boys		X
