

# Student Clubs 2023-24

## Student-led lunchtime clubs

Each year, students lead the development of clubs that expand the kind of experiences that are possible at Washington Latin. The range of options shows the diversity of our students' interests. To start a club, students need an idea, two other interested students, and a faculty sponsor.

| 2nd Street Middle School Clubs 2023-24 |                      |                |                |
|--|----------------------|----------------|----------------|
