

## Middle School Required Summer Reading

During the activity of the school year, it can be hard to find time to sit down and read. We encourage our students to expand their wealth of knowledge through reading and engaging with new texts. This summer's required reading list is available below and on the [2nd Street Families page](#). Students can pick up their summer reading text from the front desk.

- Rising 5th Graders: *Save Me a Seat*, by Sarah Weeks and Gita Varadarajan (will receive during summer bridge)
- Rising 6th Graders: *Ghost*, by Jason Reynolds
- Rising 7th Graders: *March*, by John Lewis and *Banned Book Club*, by Kim Hyun Sook and Ryan Estrada
- Rising 8th Graders: *Beneath the Moon*, by Yoshi Yoshitani (all) plus a choice of *Skin of the Sea*, by Natasha Bowen or *American Born Chinese*, by Gene Luen Yang
